

Appointment of an Authorised Representative

**FUTURE
TECHNOLOGIES**

As an account holder, you may want a family member, friend or associate to deal with us on your behalf as your authorized representative. Please complete the form below to add an authorized representative.

When you appoint an authorized representative, you give that person the authority to deal with us on your behalf as your agent. You can specify limits on your authorized representative's rights, but unless you do specify limits your authorized representative will have full power to act and access information as if they were you. This includes making complaints, changing account details or terminating a contract. Please be aware that as the account holder you retain full responsibility for the account and you are responsible for the actions of your authorized representative.

Only account holders can appoint an authorized representative. You can appoint up to 3 authorized representatives. If you wish to appoint more than one authorized representative, please complete 1 authorized representative form for each person you wish to appoint.

The appointment of an authorized representative continues until you revoke the appointment in writing.

For your security we require you to submit the completed authorized representative form to us as a signed original and witnessed by one of the following persons below:

- A Justice of the Peace;
- An accountant who is a member of the Australian Institute of Chartered Accountants, CPA Australia or the National Institute of Accountants with 2 or more years of continuous membership;
- A solicitor or barrister;
- A police officer;
- An agent in charge of, or a permanent employee (with 2 or more years of continuous service) of an Australia Post outlet;
- An officer with, or authorized representative of, a holder of an Australian Financial Services License, having 2 or more continuous years of service with one or more licensees;
- A dentist;
- A pharmacist;
- A medical practitioner;
- A chiropractor or a physiotherapist.

If your circumstances mean that this is difficult for you, please contact us [TELEPHONE NUMBER/EMAIL] and we will work with you to find an alternative way of appointing an authorized representative.
