

Travel Charges Policy

Direct Customer and Subcontractor

Applicable to all services provided by Future Technologies and Jim's Antennas & Security Albany.

Standard Travel Rate (Customer Direct)

A travel fee of \$1.50 per kilometre (return trip) applies to all site visits, excluding the first 25 km each way (50 km total round trip).

- Travel is measured from Albany city centre to the job location and back.
- The first 25 km each way is treated as the local service zone (no charge).
- This rate covers fuel, technician travel time, vehicle operating costs, and overheads.

Examples

Destination (approx.)	Distance (round trip)	Chargeable Distance	Travel Fee (ex GST)
Elleker / Lower King	40 km	0 km	\$0
Mount Barker/Denmark	100 km	50 km	\$75
Kojonup	210 km	160 km	\$240
Bremer Bay	360km	310km	\$465

(Distances rounded; calculated as round-trip minus 50 km free zone × \$1.50/km)

After-Hours & Weekend Travel

For after-hours, weekend, or public holiday work, a 25% surcharge applies to the travel component.

Multiple Jobs in the Same Area

Where multiple clients are serviced within a similar area or route, travel fees may be shared proportionally at the company's discretion.

Quoted Works

All quotes will specify applicable travel charges upfront to ensure clear and transparent pricing.
